Dear Ms Krzyzosiak

Thank you for your Official Information Act (OIA) request which was transferred to Corrections on 15 April 2019, requesting a total throughput of people under the age of 18 held in remand per annum, as far back as records permit.

You have requested the above information broken down by whether these youths held in remand were held in a youth justice facility or an adult corrections facility. However, information about offenders held in youth justice facilities is not held by Corrections.

We have considered your request for access to this information, and consider part of your request to be more closely connected with the functions of another department as described in section 14(b)(ii) of the OIA.

Pursuant to section 14 of the OIA, we have transferred the part of your request pertaining to youth justice facilities to Oranga Tamariki, who will write to you in due course regarding your request. Corrections will respond to the part of your request that relates to adult corrections facilities in due course.

Yours sincerely
