Dear Theo Morra

Official Information Act 1982 (OIA) request 1718-0658

Thank you for your Official Information Act request, received on 15 April 2019. You have asked for information relating to:

- The proxy server in use by all APNK locations; the specific configuration (if any) in use to provide support for WebSocket connections.

The following information is being provided in response to your request:

APNK use Fortinet Firewalls with built in web filtering for all locations. The Websockets protocol is allowed through the firewalls to the Internet. The Fortinet firewall has the ability to allow or block Websockets at the application layer.

You have the right to seek a review of this decision by the Ombudsman. Information about how to make a complaint is available at www.ombudsman.parliament.nz

Yours sincerely

Rachel Esson
