Hi Diane,

I think that's a good idea. I'll put it to Lucy's agent and see when she's available. She does have another full time job so are we able to do this out of normal hours or via video conference if we need to?

I had a chat with Ash from RE: this morning and she's said it may be that Anna will remain in Wellington, covering the issues related to Chch from here. This will mean she might still be able to shoot the Live for us this week. If not they will make sure there is someone else who is suitably briefed to run it.

Dan - I'll speak to Ash about getting it cross posted now too.

Cheers,
Charlotte

Whoever does the live stream will need to cross post to our page.

As early as possible so we can get as many people as possible to see it.

Hi Charlotte, how about a quick sit down with Lucy before she starts her blog? I suppose just get a sense of what she has in mind re messaging and such. I will need to brief people here, and Daniel can align our digital.

Let us know the plan for kicking off Re: and live streaming / sharing etc once you've had a chance to talk with Anna and Baz.

Cheers
