Dear Mr Grant

**Local Government Official Information and Meetings Act 1987**

**AT2013/037587**

Thank you for your email to Auckland Transport requesting information about when the parking signage was installed on North Daldy Street, Viaduct Tank Farm. This request is in relation to infringement notice 3016005397.

Please note infringement notice 3016005397 was issued on Brigham Street not North Daldy Street. The erection of signage at this location was completed by 24 May 2013.

The parking officer, when issuing the infringement, evidenced that legal signage was in place. The officer's notes state that a sign was located 80 metres to the rear of the vehicle and a sign located 110 metres to the front of the vehicle.

Taking the above evidence into account, the original decision to proceed stands. Payment must be made in full within 28 days. You will receive a further reminder notice shortly. Payment can be made in the following ways:

- By posting a cheque or postal order. Please write the infringement notice number and vehicle registration on the back of the cheque. Do not send cash in the mail.
- In person at Postshop/Kiwibank branches anywhere in New Zealand, BNZ Auckland Branches or your local Service Centre.
- Over the telephone on (09) 337 5000 or via our website [www.aucklandtransport.govt.nz](http://www.aucklandtransport.govt.nz). Credit cards accepted are Visa, MasterCard and American Express.
- Internet banking, by following the instructions on the back of the reminder notice

Should you believe that we have not dealt with your request appropriately, you have the right in accordance with section 27(3) of the LGOIMA to make a complaint to the Office of the Ombudsman and seek an investigation and review in regard to this matter.

Yours sincerely

Trevor Starr
