

# Decision on notification of an application to change a condition of a resource consent under section 127 under the Resource Management Act 1991

**Application number:** R/VCC/2014/2043/1  
**Consent holder:** Auckland Transport  
**Site address:** Road reserve of Beach Road, Tangihua Road, Quay Street, Britomart Place and Mahuhu Crescent, Auckland Central

## Proposal:

To change condition 1 of resource consents R/LUC/2014/2043 and R/REG/2014/2045 in order to reflect the updated design of the Beach Road Cycleway.

## Additional resource consent required:

### Proposed Auckland Unitary Plan (PAUP)

- The proposal involves the upgrading and replacement of network utilities within the vicinity of Category A and B scheduled places. Pursuant to Rule 3.J.2.1, this is a discretionary activity.

Having read the application, supporting documents and the council planner's report and recommendations on the application, I am satisfied I have sufficient information to consider the matters required by the Resource Management Act 1991 (the RMA) and to make a decision on notification.

Under section 95A of the RMA this application shall proceed without public notification because:

- The adverse effects on the environment as a result of the change will be no more than minor because the applicant has adequately demonstrated that the proposed changes will generate less than minor adverse effects on the environment.
- There is no district or regional rule or national environment standard that requires public notification and the applicant has not requested it.
- There are no other reasons, including special circumstances, to warrant notification.

Under section 95B of the RMA this application shall proceed without limited notification because:

- There are no persons adversely affected by the change because the applicant has adequately demonstrated that the proposed changes will generate less than minor adverse effects on the environment.
- There are no protected customary rights groups or marine title groups in the region affected by the change.

Accordingly, this application shall proceed on a **NON-NOTIFIED** basis.

# Decision on an application to change a condition of a resource consent under section 127 under the Resource Management Act 1991

**Application number:** R/VCC/2014/2043/1  
**Consent holder:** Auckland Transport  
**Site address:** Road reserve of Beach Road, Tangihua Road, Quay Street, Britomart Place and Mahuhu Crescent, Auckland Central

## Proposal:

To change condition 1 of resource consents R/LUC/2014/2043 and R/REG/2014/2045 in order to reflect the updated design of the Beach Road Cycleway.

## Additional resource consent required:

### Proposed Auckland Unitary Plan (PAUP)

- The proposal involves the upgrading and replacement of network utilities within the vicinity of Category A and B scheduled places. Pursuant to Rule 3.J.2.1, this is a discretionary activity.

Having read the application, supporting documents and the council planner's report and recommendations on the application, I am satisfied I have sufficient information to consider the matters required by the Resource Management Act 1991 (the RMA) and to make a decision on the application.

## Decision

Under sections 104, 104B and 127 and Part 2 of the RMA this application to change a condition of resource consents R/LUC/2014/2043 and R/REG/2014/2045 is **GRANTED**.

The reasons for this decision are:

- The proposed changes will allow the Beach Road Cycleway to meet safety requirements and address outstanding safety matters.
- The applicant has adequately demonstrated that the proposed changes will generate less than minor adverse effects on the environment. These effects are outweighed by the significant positive effects provided by the proposal, including improved accessibility and transport mode choice within the Auckland Central Business District.
- The proposal is consistent with the operative plans, including the Auckland Council Regional Policy Statement and the Auckland Council District Plan (Central Area). The amended design will assist the cycleway support the transport and strategic outcomes sought by these plans, while avoiding significant effects on heritage values.

- The proposal is also consistent with the PAUP. In particular, it supports meets the requirements of the PAUP's objectives and policies, with particular regard to the transport and heritage outcomes sought by the plan.
- The proposal is also consistent with Part 2 of the Act given the support that it will provide to the social and economic wellbeing of the community.
