Progress & Update Report: Q3 2018 (July, August and September).

The value of free postering returned to the community under Council's agreement with Phantom Billstickers during Q3 2018 was \$10,065.71 excluding GST.

Dear Stephen,

We have the following to report.

1. Bollard & Other Approved Locations

There were no new poster bollards installed over the applicable quarter.

39 Bollard Refurbishments have been completed (as of 10th Dec) leaving four yet to be completed. These are scheduled to be completed by 18th Dec.

We've got some additional work to do on the steel tops to six of those refurbished and this is scheduled to happen Q1 2019.

We note that the six tri-stands need refurbishment also.

2. Provision of "Free Advertising" Space

Installed and Managed for Free by Phantom

During the Quarter Phantom Billstickers provided free access to poster bollards for the events and organisations listed and summarised below.

Notes:

We received public complaint about two of the campaigns;

- 1. Renee Gerlich's Suffrage campaign attracted complaints that it was Transphobic and potentially harmful. Upon examination we accepted the complaints and agreed to stop postering for her. Renee is currently pursuing a case of discrimination against us through the Human Rights Commission.
- 2. The Hikoi of a Poisoned Nation (anti 1080 March) poster campaign attracted criticism on social media directed at Council and ourselves. The complaints came too late to withdraw the campaign.

Free Placement Summary:

Over the quarter Phantom Billstickers placed

1180 posters free for "Arts" totalling 277.57 metres squared.
1279 posters free for "Bands" totalling 306.16 metres squared.
734 posters free for "Community" totalling 178.82 metres squared.

In total we placed 3193 posters for free totalling 762.56 metres squared.

Space provided by the contract is 5,202.34 metres squared (400.18 metres per week multiplied by 13 weeks) so the percentage of free placement is 15% against a target of 10%

2.1. Illegal Postering Response

Robin, Sue and Myele met the new WCC CitySafe Team on 26th July so there is engagement and progress there. Stop Tags is now functioning (though clunky).

3. Valuing Provision of Free Advertising Space

The Charges for poster placement throughout the period covered by this report were: \$1.65 per A3 (297mm x 420mm) = .125 square metres per poster \$6.60 per A1 (594mm x 841mm) = .50 square metres per poster \$16.00 per Max (920mm x 1320mm) = 1.21 square metres per poster Average total per square metre: \$13.20 per square metre

3,193 posters were placed for free totalling 762.55 square metres and at the rate of \$13.20 per square metre this delivers value of \$10,065.71 excluding GST.

4. Contract Management:

4.1. Promotion of Free Postering for Community Groups

During the period we have continued to promote the Free Poster Placement we make available to community groups, artists and local bands to ensure access to all and reduce the need for wild posting. We placed 500 A3 YOUR POSTER HERE street posters during July promoting the free poster provisions to the community. See the last page of this report to see artwork

4.2. Audit

Most recent Audit Report was submitted 6 July.

I trust that we are all in accordance with our agreement, do not hesitate to contact me if you have any queries or concerns.

Yours faithfully,

Jamey Holloway Managing Partner Phantom Bill Stickers Ltd
