Dear Daryl

I refer to your Official Information Act 1982 request of 26 May 2019 in which you requested information around the Christchurch Mosque repairs. Specifically you requested:

Please inform me the contractors/companies that were involved in the Christchurch mosque repairs in the aftermath of the mass shootings and whether they were paid or donated their services.

There were a number of individuals and companies that contributed to the mosque repair work done after the Christchurch Terror attacks.

The information is withheld pursuant to section 9(2)(a) of the Official Information Act 1982 to protect the privacy of natural persons, and section 9(2)(b)(ii) where the making available of the information would be likely unreasonably to prejudice the commercial position of the person who supplied or who is subject of the information.

You have the right, under section 28(3) of the Official Information Act 1982, to ask the Ombudsman to review my decision if you are not satisfied with the way I have responded to your request.

Yours sincerely
