> *Ideally I would like it a csv file in the format of:*
>
> *Make, raw model, cleansed model*
>
> *However I am happy to receive the information in what ever format is easiest for the agency to produce. I would be happy to receive the code that is executed to undertake this cleansing if that is all that is readily available.*

I am refusing your request under section 18(d) of the Act because the information requested will soon be publicly available. Within the next six weeks the information will be published on our Open Data Portal https://opendata-nzta.opendata.arcgis.com/.
