Crs Connelly and Gwilliam might raise it since they weren't at the Mayoral luncheon. I'll give Liezel a heads up.

I hope they don't discuss this at Policy tomorrow. I highly doubt I will last in the meeting long enough for our report to come up seeing as I am often very ill late arvo currently and we are almost last on the agenda.

Hi Karma,

Hope your appointment went well.

I checked with Wayne and the above memo was handed out at the Mayoral luncheon on Friday. He said there was a quick discussion about what can be done to stop it....

Could you please email the memo to the Mayor and councillors noting that the it was tabled and discussed at the Mayoral luncheon on Friday.

Many thanks  
Kate
