Dear Konrad

RE: OFFICIAL INFORMATION REQUEST FOR ALL TREE CONSENTS SINCE 2012

This letter is in response to your request for information from Upper Hutt City Council (the "Council") received on 21 June 2019 under the Local Government Official Information and Meetings Act 1987 (the "Act").

I note that you requested the following information from Council: All tree consents and tree numbers since the change in the RMA in 2012.

As per our charging letter dated 05 July 2019, we have identified all relevant tree related consents since the change in RMA in 2012 and are providing notices of decisions (NODs). Please find attached all 71 NODs that were granted since the change in the RMA in 2012. Each NOD details the number of trees the consent is for on the first page.

As there is a substantial amount of information, we have provided it via Kiteworks, a document sharing software.

Please note that the files shared in Kiteworks will expire in 10 days. Please ensure you download them within the 10 days, rather than just viewing them.

I believe that this satisfies your request for information, however if you have any further queries please contact me.

If you are dissatisfied with my response, you are entitled to request that the Ombudsmen review it under Section 27 of the Local Government Official Information and Meetings Act 1987.

Yours faithfully
