Dear Win Walker

Official Information Act request relating to firearm buyback values

Thank you for your request made under the Official Information Act 1982 (the Act), received on 9 July 2019. You requested:

I believe the PM has deliberately misinformed the public on the advice of firearm buyback price setting. As you have short changed a significant number of law abiding citizens in coercing and confiscating their property we would like all correspondence email, text, minutes and scheduled meetings where Mr Nash has advised the PM on firearm buyback values.

I believe that the information you have requested is more closely connected to the functions of the Minister of Police, Hon Stuart Nash and I have accordingly decided to transfer your request to him under section 14(b)(ii) of the Act.

Hon Stuart Nash has 20 working days from receipt of this transfer to make a decision on your request.

Yours sincerely
