Hannah Enderby
fyi-request-10718-6773a97b@requests.fyi.org.nz

Dear Hannah Enderby

TRANSFER OF YOUR REQUEST FOR OFFICIAL INFORMATION

I refer to your official information request on 10 July 2019 relating to Kea and 1080, in which you requested the following.

'Please provide information on the times taken to die for protected native kea birds after they eat 1080 poisoned food which has been spread in the kea habitat by OSPRI NZ Ltd, which I note you are a conduit for public funding to. And also as a part owner in the factory making this poisoned food I am picking you will know all about it. Please provide the times found via scientific studies for kea or other avian species as well as what you can estimate from kea tracking activities thru poisoned food operations.'

This letter is to advise you that the Ministry for Primary Industries (MPI) is transferring your request to the Department of Conservation (DOC) under section 14 of the Official Information Act 1982. Your request is being transferred because the information you are seeking is not held by MPI and is more closely connected with the functions of DOC.

Yours sincerely

Alan Witcombe
Director Government Services
