Dear Ms Free

Thank you for your information request made of the Council via the web-site FYI.org.nz on 16 August 2013. I have been asked to provide you with a response.

Specifically, you asked:

“Could you please advise how many representatives Wellington City Council has commonly had on the board of Wellington International Airport Limited (WIAL).

Could you please also advise the names of those who have represented the Council on the WIAL board in the last ten years, and the dates they held this role, including the current appointees.

Could you please also advise the process for their appointment.”

The Council has two positions on the WIAL board. Typically, these are a Councillor appointment and an external candidate. WCC vacancies to the WIAL board are appointed in line with the Appointments policy. Here's the link:

The people who have represented the city on the WIAL board over the last 10 years are:

2003-2009

Kerry Prendergast (Mayor)
Denis Thom

2010 to present

Ian McKinnon (Deputy Mayor)
Keith Sutton

Please contact me if you have any questions.

Yours sincerely
