

Data for Lowest Successful GPA for Entry to MB ChB - Graduate Category (2016 – 2019)

Can you please release the Lowest GPA to gain entrance off the wait-list for graduate entry to the medical program (MB ChB) for the years 2016-2019? I refer specifically to the GPA of the final person to be admitted to the medical program in the graduate category (general, not MAPAS or rural). Please note this specifies the wait-list entrants, not the first-round offers.

GPA of Lowest Successful Waitlist Offer

2016 – 7.44

2017 – 7.14

2018 – 7.86

2019 – 8.14

Note: the GPA shown is the lowest GPA for a candidate offered a place off the waitlist; it is not (necessarily) the lowest GPA for inclusion on the waitlist.
