Dear Megs

REQUEST FOR INFORMATION

This letter is a follow up to our response of 19 September 2019 to your request dated 21 August 2019 under the Official Information Act 1982 (OIA), for information relating to phenelzine sulphate (Nardil) supply.

We have now had time to consider feedback from a third party on the documents proposed for release. The attached document provides the additional information you were seeking.

We have redacted information from the document either as it is out of scope, or because we consider this is necessary to protect the privacy of natural persons (section 9(2)(a)). We considered whether the public interest outweighed the reasons for withholding the information. In this case we decided that it didn't.

You have the right under section 28(3) of the OIA to ask an Ombudsman to investigate and review our decision.

We trust that this information answers your queries. We are making our information more freely available, so we will now publish selected OIA responses (excluding personal details) on our website. Please get in touch with us if you have any questions about this.

Yours sincerely

Alison Hill
