This letter is in response to your request for review of information under the Official Information Act dated 27th August 2019.

The estimated direct cost to police of required resourcing and officer's time involved in duties regarding the Ihumatao occupation was:

The marginal operational costs are the actual direct costs as recorded in the NZ Police financial management system in regards to our attendance to duties at this event. This does not include any overhead costs.

The overall staffing numbers, ranks and District are outlined in the following table.

During July 18 staff were utilised from Northland, 11 from Bay of Plenty and 8 from Waikato.

During August 8 staff were utilised from Northland, 5 from Waikato and 8 from Bay of Plenty.

All other staff were from Tamaki Makarau.
