

fyi-request-11072-89c4c764@requests.fyi.org.nz

Dear A KS

In response to your OIA request:

1:- Please tell in which year that diploma started and in which year the diploma was discontinued.

The GradDipHSc for overseas trained physiotherapists commenced in 2014 and was discontinued in 2015.

2:-Please tell ,at the moment, is AUT offering any other similar program in place of the discontinued program (in which overseas trained and non NZ registered Physios are eligible to enrol.).

There is no current offering of the GradDipHSc for overseas trained or non-NZ registered physiotherapists.

3:- Please tell whether AUT has a plan to restart that discontinued program or a similar program in any future academic session as absence of such program is a big loss to overseas trained physiotherapists and indirectly to the NZ healthcare sector.

There is no current plan to recommence a GradDipHSc for overseas trained physiotherapists.

Yours sincerely

Alison Sykora
Head of Communications
AUT
