[fyi-request-11083-f122570f@requests.fyi.org.nz](mailto:fyi-request-11083-f122570f@requests.fyi.org.nz)

Dear Mr Button

I refer to your Official Information Act request of 29 August 2019 for information relating to kilometres travelled by Police vehicles.

You requested:

- 1. Can I please have the total number of pursuit kilometres travelled by police cars in any given year*

The information requested is not held by New Zealand Police, and Police has no reason to believe it is held by another agency. Your request is therefore refused pursuant to s 18(g) of the Official Information Act 1982.

However, to assist with your enquiry, Police can provide the total kilometres driven over the last financial year. From 1 July 2018 to 30 June 2019, the total kilometres driven by Police's entire fleet was approximately 92,600,600 kilometres with an average of 27,300 kilometres per vehicle.

You have the right, under section 28 (3) of the Official Information Act 1982, to ask the Ombudsman to review my decision if you are not satisfied with the way I have responded to your request.

Yours sincerely

Superintendent Steve Greally  
National Manager Road Policing
