Subject: Official Information request - Payments to providers

Dear Bay of Plenty District Health Board,

In your annual reports online, the financial statements gives the expenditure amounts for 'Payments to providers'- for example for 2017, it is given in page 113.

But this does not split it into Inter-district outflow and other Non-DHB health board provider

So can I request for each of the year from 2015 to 2018 financial year please provide the following data:

- How much money was spend on Inter-district outflow and Non-DHB health board provider.  
Please indicate amount separately.

Yours faithfully,

Antony Andrews
