Dear Sue

I refer to your official information request of 13 September 2019 for information regarding the application of biodegradable 1080 at Molesworth Station in 2017.

This letter is to advise that I have made a decision on your request and sent the response to your personal email address today.

If, once you have reviewed my response, you are happy for it to be posted to the [fyi](http://fyi.org.nz) website, please advise and we will do so.

Yours sincerely
