Dear Satish Bama

I have been advised that some of the information contained in our response dated 05 December 2019, to your information request (DOIA 1920-0625), is incorrect.

Point three of our response to your questions one and two should have stated:

3 Applications that meet any of the following criteria:

- a. Applications lodged under the Residence from Work, Talent – Accredited Employer category; OR
- b. Applications where the principal applicant's pay meets the high remuneration threshold (which is currently \$50+ per hour or salary of \$104,000+); OR
- c. Applications where the principal applicant works in an occupation that requires occupational registration and the principal applicant holds that registration.

On behalf of Immigration New Zealand I apologise that the information contained in our earlier response was inaccurate. I hope the correction I have supplied is of assistance to you.

If you wish to discuss any aspect of your request or this response, please contact me at [Anna.McLachlan@mbie.govt.nz](mailto:Anna.McLachlan@mbie.govt.nz).
