Subject: LGWM Presentation and Feedback Reminder

Good Afternoon,

Thank you for attending the industry briefing today.

As promised by Andrew, the presentation is attached to assist with feedback from professional services providers. Our intention is to make the presentation publicly available at a later date. We would appreciate it if you could keep this within your organisation until the feedback period is closed.

A reminder to please email written feedback to procurement@getwellymoving.co.nz by the end of this week (18 October), particularly on:

- The structure of the RFTs, including the option to combine the MRT and state highway packages
- Proposed timing for the RFTs and capacity to respond

Regards

Jodie, on behalf of the LGWM team

Subject: FW: REMINDER: feedback on LGWM industry briefing

Thank you again for your interest in the LGWM industry briefing on Monday. We greatly appreciate the feedback we have already received.

A reminder that **written feedback closes today**.

If you haven't already provided feedback and wish to do so, please email your comments today to procurement@getwellymoving.co.nz

We are particularly interested in:

- The structure of the RFTs, including the option to combine the mass rapid transit and state highway packages
- The proposed timing for the RFTs and the industry's capacity to respond

Attached, as a reminder, is the presentation from the briefing.

Regards

Jodie, on behalf of the LGWM team
