Dear John Luke

Regarding your request under the Official Information Act:

I understand all your job description now used SALARY BAND to indicated the salary level, but it doesn't shows the actual number figure, can you please provide all your salary band and it's associate number range, e.g. SALARY BAND E- 90,000- 120,000 etc.

Also, may I request your org chat for the office of your international department? If possible I would also like to see the employee's name of each position within the department.

The salary bands and associate number range are:

Band	Low	High
Band A	\$ 41,669	\$ 47,064
Band B	\$ 48,502	\$ 64,816
Band C	\$ 60,982	\$ 83,938
Band D	\$ 76,881	\$ 94,138
Band E	\$ 90,892	\$ 108,335

An organizational chart for the international department is attached.
