Thank you for your inquiry and interest in statutory appointments made by the Department of Internal Affairs' portfolio Ministers.

The call for nominations for appointments to the Winston Churchill Memorial Trust Board ended on 28 August 2019. Hon Poto Williams has appointed Everdina Fuli and Bradley Watson. Both terms of office begin on 1 Jan 2020.

The statutory appointments page is regularly updated to provide information about current appointment processes. This can be found visiting the Department of Internal Affairs' website at www.dia.govt.nz/Appointments-to-Statutory-Bodies.

A call for nominations for roles on Lottery Distribution Committees for appointments will be issued in March-April 2020.

There are currently no nominations for Lottery Distribution Committees under consideration.

I trust the information supplied above has answered your query.

Thank you again for writing.

Yours sincerely

Anita Balakrishnan
Director Operational Services
