Water supply outside the area. Stream take, we have stayed at least 150m from the dwelling	Property 9	docCM-6025816 (letter) docCM 6025632 (Fact Sheet and map)
10) 125A Sailors (Grave) Adjoining land owner	[REDACTED]	[REDACTED]	There is a history of strong opposition to 1080 from within the local community Public/private water sources are located within or immediately downstream of the operational area Unfenced and sensitive boundaries of anti-1080 adjacent landowners	What can we do about the effects of our plan on you?	Letter and Fact Sheet	[REDACTED]	25/07/2019	25/07/2019 Mail out, phone call Sep 2019	We contacted the accountant acting for this property to obtain the owners details and to pass on the fact sheet / letter. Have contacted [REDACTED] who lives on the property. No issues with the operation.	Water supply outside the area. Stream take, we have stayed at least 150m from the dwelling	Property 10	docCM-6025816 (letter) docCM 6025632 (Fact Sheet and map)
11) 125c Sailors grave Adjoining land owner	[REDACTED]	[REDACTED]	There is a history of strong opposition to 1080 from within the local community Public/private water sources are located within or immediately downstream of the operational area Unfenced and sensitive boundaries of anti-1080 adjacent landowners	What can we do about the effects of our plan on you?	Letter and Fact Sheet	[REDACTED]	25/07/2019	25/07/2019 Mail out, Sep 2019 phone call	The owners live in Auckland and wont be back until Christmas, phoned them and they are happy with the operation. We have pulled back on the stream that feeds their water take.	Water supply outside the area. Stream take, we have stayed at least 150m from the dwelling	Property 11	docCM-6025816 (letter) docCM 6025632 (Fact Sheet and map)
12) 84 SH 25 Adjoining land owner	[REDACTED]	[REDACTED]	There is a history of strong opposition to 1080 from within the local community Public/private water sources are located within or immediately downstream of the operational area Unfenced and sensitive boundaries of anti-1080 adjacent landowners	What can we do about the effects of our plan on you?	Letter and Fact Sheet	[REDACTED]	25/07/2019	25/07/2019 Mail out, Sep 2019 phone call, visit	Very happy with the operation and wish to get their property treated as well. We have tried to fit this in but the affect on other water supplies and the 150m exclusion around the house meant it wasn't practical to do.	at least 150m from the operation, water supply is a roof take.	Property 12	docCM-6025816 (letter) docCM 6025632 (Fact Sheet and map)
13) 152 SH25 Adjoining land owner	[REDACTED]	[REDACTED]	There is a history of strong opposition to 1080 from within the local community Public/private water sources are located within or immediately downstream of the operational area Unfenced and sensitive boundaries of anti-1080 adjacent landowners	What can we do about the effects of our plan on you?	Letter and Fact Sheet	[REDACTED]	25/07/2019	25/07/2019 Mail out, Sep 2019 phone call	Have posted out letter and factsheet, left message on his phone and spoke with him. He is in favour of the operation but does have some concerns regarding increasing Pig numbers and Rabbits (will pass onto WRC).	Water supply outside the area. Roof take, we have stayed at least 150m from the dwelling	Property 13	docCM-6025816 (letter) docCM 6025632 (Fact Sheet and map)

14) 494 SH 25 Adjoining land owner	[REDACTED]	There is a history of strong opposition to 1080 from within the local community Public/private water sources are located within or immediately downstream of the operational area Unfenced and sensitive boundaries of anti-1080 adjacent landowners	What can we do about the effects of our plan on you?	Letter and Fact Sheet	[REDACTED]	25/07/2019	25/07/2019 Mail out	Have spoken to [REDACTED] on the phone and she expressed some concern regarding horses on her property but was happy with the buffer we had put in place.	Water supply outside the area, A spring on her property. we have stayed at least 150m from the dwelling	Property 14	docCM-6025816 (letter) docCM 6025632 (Fact Sheet and map)
15) 638 SH 25 Adjoining land owner	[REDACTED]	There is a history of strong opposition to 1080 from within the local community Public/private water sources are located within or immediately downstream of the operational area Unfenced and sensitive boundaries of anti-1080 adjacent landowners	What can we do about the effects of our plan on you?	Letter and Fact Sheet	[REDACTED]	25/07/2019	25/07/2019 Mail out, Sep 2019 visit, phone call	This property is under new management since the last operation [REDACTED] is not a fan (very active pig hunter) but realises it is the best option we have at this stage. James has storage for 50, 000L of water and has been given 10 boxes of water for house use.	150m buffer and he will move his stock water intake to another stream outside the operation area. Both takes are stream takes.	Property 15	docCM-6025816 (letter) docCM 6025632 (Fact Sheet and map)
16) 190B Boat Harbour Adjoining land owner	[REDACTED]	There is a history of strong opposition to 1080 from within the local community Public/private water sources are located within or immediately downstream of the operational area Unfenced and sensitive boundaries of anti-1080 adjacent landowners	What can we do about the effects of our plan on you?	Letter and Fact Sheet	[REDACTED]	25/07/2019	25/07/2019 Mail out, Sep 2019 phone call.	[REDACTED] did have some concerns if it was new staff doing the operation. But is happy with the same approach as last time.	150m buffer and his water take is off the roof	Property 16	docCM-6025816 (letter) docCM 6025632 (Fact Sheet and map)
17) 136/137 Boat Harbour Adjoining land owner	[REDACTED]	There is a history of strong opposition to 1080 from within the local community Public/private water sources are located within or immediately downstream of the operational area Unfenced and sensitive boundaries of anti-1080 adjacent landowners	What can we do about the effects of our plan on you?	Letter and Fact Sheet	[REDACTED]	25/07/2019	25/07/2019 Mail out, Sep 2019 phone call.	[REDACTED] is happy with the boundary of the treatment area (no change) and even though he does not agree with aerial 1080, he was happy with the same buffer as last time. [REDACTED] also expressed concern for his neighbours and was happy with what we had put in place.	Arthur has a water supply outside the treatment area, also requested a box of drinking water for the operation (delivered)	Property 17	docCM-6025816 (letter) docCM 6025632 (Fact Sheet and map)
18) 151 Boat Harbour Rd land owner	[REDACTED]	There is a history of strong opposition to 1080 from within the local community Public/private water sources are located within or immediately downstream of the operational area Unfenced and sensitive boundaries of anti-1080 adjacent landowners	What can we do about the effects of our plan on you?	Letter and Fact Sheet	[REDACTED]	25/07/2019	25/07/2019 Mail out, Sep 2019 phone call, visit	We have had multiple meetings with the [REDACTED] over this operation, and kept regular updates with them. In the original design two paddocks in the block were to be excluded, due to the timing of the operation and the availability of grass these two blocks have been put back in and will be treated. [REDACTED] has been a very big supporter of the operations for sometime and has had their own land treated with aerial 1080 since 2006.	A ridge system to the East of the block has been removed and the fence lines receive a 25m buffer. Will disconnect water supply to the house for 24hrs after the operation, stream take, also has tank supply.	Land owner consent form with map docCM 6091800.	docCM-6025816 (letter) docCM 6025632 (Fact Sheet and map), docCM 6091800 (Landowner consent form)
	[REDACTED]	There is a history of strong opposition to 1080 from within the local community Public/private water sources are located within or immediately downstream of the operational area Unfenced and sensitive boundaries of anti-1080 adjacent landowners	What can we do about the effects of our plan on you?	Letter and Fact Sheet	[REDACTED]	25/07/2019	25/07/2019 Mail out, Sep 2019 phone call, visit	We have had multiple meetings with the [REDACTED] over this operation, and kept regular updates with them. [REDACTED]	20/08/2019	The OIA we are responding to seeks information on the amount of 1080 sent to landfill since 2009 and up until 2016 (which DOC has already provided). I am helping [REDACTED] who is leading the response on this OIA. Questions <ul style="list-style-type: none">•What programmes / or total amount of 1080 deployed per yr (2009-2015).•What was the total amount of 1080 waste disposed of per yr?•What site/s (certified – were all the sites certified?) / or waste transfer company/s were used for the disposal of the 1080 waste?	Response sent by [REDACTED] 20/8/19
GYB Concerned citizen [REDACTED]	21/08/2019	"The following video's give us an indication of the absolute toxicity of 1080 poison drops, but also, we have an American tourist whom has witnessed 1080 being dropped into a river, a river being used by I would assume tourists and locals for swimming". (blanket email)	forwarded to Whakautu team) 27/8/19 "Yes it was logged for us last week as a departmental letter https://docm.doc.govt.nz/wcc/faces/wccdoc?dDocName=DOC-6050303 Thanks for checking [REDACTED]
[REDACTED]	21/08/2019	"why you would drop 1080 during nesting season, given that ruru will eat the poisoned rats and mice, the mother ruru will die and her baby will die of starvation"
