Thomas Wheeler
fyi-request-11751-f17cb1e2@requests.fyi.org.nz

Dear Thomas

Thank you for your email of 27 November 2019 to the Ministry of Education requesting the following information:

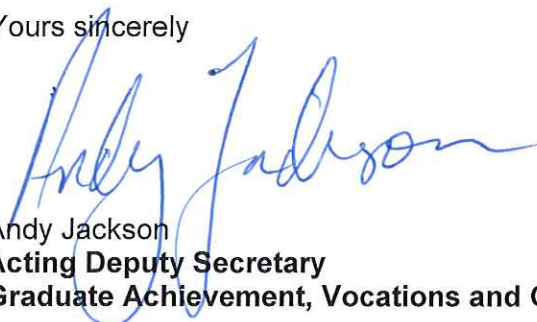

- *I would like to request a summary of the pass/fail rates for the Bachelor of Nursing programme for each Polytech/University that offers it, broken into course level (year 1, year 2, year 3), for the year 2018. Ideally this information would show (for each year and for each education provider), the number of students who started the year (excluding those who are repeating 50% or less of that years papers), the number of students who successfully completed all papers, the number of students who passed some papers but failed others and continued the programme, and the number of students who failed some or all papers and did not continue the programme.*
- *If the information is difficult to provide in that format, then the information provider may choose a format, providing it represents the pass/fail rates across different education providers for the Bachelor of Nursing programme for each year.*

Your request has been considered under the Official Information Act 1982 (the Act). I apologise for the delay in responding to your request.

I am providing you with a spreadsheet detailing the number of students in Bachelor of Nursing programmes in 2018 by year, course pass status and enrolment in 2019 status. Please note this data is from August 2019 and it is indicative only at that point in time. The 2019 data is not final, and as a result is subject to change when finalised data becomes available.

Thank you again for your email. You have the right to ask an Ombudsman to review this decision. You can do this by writing to info@ombudsman.parliament.nz or Office of the Ombudsman, PO Box 10152, Wellington 6143.

Yours sincerely

Andy Jackson
Acting Deputy Secretary
Graduate Achievement, Vocations and Careers
