Dear Sir

OFFICIAL INFORMATION ACT 1982 REQUEST

I refer to your request via the fyi.org.nz website for information relating to the Ministry of Innovation, Business and Employment's clients who have G2B access to the companies register.

Attached is a list of the past and current G2B clients who have access to the companies register.

You had requested contact details for each G2B client but as their details are publicly available, this information will not be provided to you in accordance with section 18(d) of the Act.

Compliance with the G2B Agreement is self-governing and complaint driven. The Ministry has not received any complaints that a G2B client has used information from the companies register for direct marketing purposes or for creating direct marketing lists for on-sale to other parties.

You should note that G2B clients only have access to the same information on the companies register than any other person searching the register has access to.

Yours faithfully

Mandy McDonald
