Dear LDG

### **Official information request relating to CCTV and ANPR cameras**

I refer to your official information request, which was transferred in part from Dunedin City Council to Dunedin City Holdings Ltd on Thursday 5 December 2019, for the following information:

- A list of all CCTV camera locations that are owned OR operated by Dunedin City Council's Council Controlled Organisations.
- A list of all camera locations used for Automatic Number Plate Recognition (ANPR) within Dunedin.

You requested that this information specify street addresses or approximate locations in the city.

This letter responds to your request with respect to Council Controlled Organisations within the Dunedin City Holdings Ltd (DCHL) Group, and Aurora Energy Ltd.

#### *CCTV camera locations*

Several companies within the DCHL Group own and/or operate CCTV cameras for the security of buildings, people and property. As such, information relating to the location of these cameras is withheld under sections 6(a), 6(b), 7(2)(d) and 7(2)(e) and of the Local Government Official Information and Meetings Act 1987 (LGOIMA).

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602. If you wish to discuss this decision with us, please feel free to contact me at [jemma.adams@dcc.govt.nz](mailto:jemma.adams@dcc.govt.nz).

#### *ANPR camera locations*

Dunedin International Airport Ltd (DIAL) operates two ANPR cameras at entries to its carpark, to prevent fraudulent use of the car park only. No other DCHL Group companies own or operate ANPR cameras.

Yours sincerely

Jemma Adams  
General Manager, Dunedin City Holdings Ltd
