REF: OIA-6213

Dear Rawiri

Request made under the Official Information Act 1982

Thank you for your email of 11 December 2019 requesting the following information under the Official Information Act 1982 (the Act):

Please provide technical/engineering material related to the management of stormwater as designed for: (1) The new SH2/SH58 Haywards interchange, and (2) The current SH58 safety improvement works.

Specifically, I am interested in the placement and sizing of drains, pipes and where they discharge, and/or where they may connect into local stormwater infrastructure.

The documents that fall within the scope of your request are set out in the document schedule on the following page and are attached to this response as **Appendices A to J**. Please note that there may be some refinement to the attached SH58 safety improvements plans due to unforeseen site conditions.

Certain information has been withheld under section 9(2)(a) of the Act in order to protect the privacy of natural persons. With respect to the information that has been withheld, I do not consider there are any other factors which would render it desirable, in the public interest, to make the information available.

Under section 28 of the Act you have the right to ask the Ombudsman to investigate and review this response to your request. You can contact the Office of the Ombudsman by telephone on 0800 802 602 or through its website at www.ombudsman.parliament.nz.

If you wish to discuss this response further with Waka Kotahi, please don't hesitate to contact us by email to sh58safety@nzta.govt.nz.

Yours sincerely

Andy Thackwray
Senior Manager, Project Delivery
