Dear Mr Luke

OFFICIAL INFORMATION REQUEST-JUSTICES OF THE PEACE

Thank you for your email of 14 December 2019 asking how many JPs have been appointed in the Auckland Central electorate since 1 January 2019, how many JPs are currently in the Auckland Central electorate, and are there any nominations from the Auckland Central electorate currently going through the appointment process?

I can advise that there were two appointments made in 2019, those of Mr Robert Blucher and Mr Gary Denney.

The current total of JPs in the electorate is 73.

At present there are three Auckland Central nominations going through the appointment process.

Yours sincerely
