Dear Mr Snijders

LGOIMA Response

Here is our response to your LGOIMA request, in relation to District Plan Change – Rural to Industrial at 1165, 1151 and 1090 SH1, Marton.

1. Internal Costs (staff, disbursements, and miscellaneous)

Response:

We are unable to provide this at this stage as the process is ongoing and staffing costs are not maintained at a project level.

2. External Consultants (each consultant should be listed separately and if the fee has been 'quoted' by the consultant this should be noted.)

Response:

Council is refusing this part of the request under section 7(2)(b)(ii) of the Local Government and Official Meetings Act.

3. Hearing Costs

Response:

No costs to date.

4. Any costs that may be incurred by a shared services agreement or otherwise between Rangitikei District Council and another District or Regional Council.

Response:

Not applicable to this project.

Yours sincerely

Carol Gordon
Manager – Executive Office
