PO Box 21-081

Dear John

Termination of Family Start funding for 2012/13

This letter follows up my phone call with you today which informed you that the Ministry of Social Development intends to terminate the Family Start part of your contract for 2012/13.

I appreciate your willingness to discuss this matter. I understand that this has significant implications for your organisation and I want to work with you to ensure the remainder of the contract is positive for the families you are helping and for your organisation.

Under clause 3.1.(f) of the memorandum of variation to the contract between the Ministry of Social Development and Te Whanau O Waipareira Trust signed on 5 July 2010 and varied on 19 August 2011 (the Agreement) the Ministry may terminate the Agreement, or any part of it, by giving three months notice in writing. This letter provides notice of termination under that provision of the Agreement and the Ministry is terminating the Family Start services part.

As discussed, I would like to meet with you. This will be an opportunity for you to ask any questions. We will also discuss ongoing support for your organisation's delivery of Family Start until the end of the notice period, and my expectations for a transition process for families engaged with the programme to another provider.

As we agreed, I will meet with you when I am in Auckland on Friday 13 April. The Family Start National Contracts Manager, Tania Moody and your Regional Advisor Funding, Renelope Alshaikh, will also attend our meeting. We will confirm the timing of this meeting with your office.

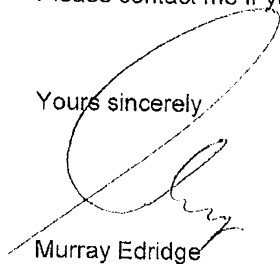

The other services under the Agreement remain in full force and effect.

The Ministry intends issuing a tender for the provision of Family Start services shortly and your organisation may wish to apply.

Please contact me if you have any urgent questions prior to our meeting.

Yours sincerely

Murray Edridge
