Dear Mr Luke

I refer to your request under the Official Information Act 1982 received on 12 February 2020 requesting the following:

May I ask, besides the 5 you have listed that are widely used, are there any other QDII provider you have assessed and approved. What about towering capital and others that are on the market. It would be great to understand what others that INZ has approved and assessed.

Our response

We have only assessed and approved one other Qualified Domestic Institutional Investor (QDII) provider that is not listed on our website. That provider is known as Shanghai International Trust Company Limited. We have not been approached by a company called Towering Capital to assess a QDII product offering.

Immigration New Zealand would be willing to assess any proposals from other QDII providers should we be formally approached.

If you wish to discuss any aspect of your request or this response, or if you require any further assistance, please contact Andrew Newbery, Immigration Manager, Porirua Office at Andrew.Newbery@mbie.govt.nz

Yours sincerely
