Dear Mr Dickie

Thank you for your request on 26 February 2020, under the Official Information Act 1982 (the Act), for information on the total number of houses, since the establishment of Kāinga Ora – Homes and Communities on 1 October 2019, which have:

- received territorial resource and building consent as at the date of supplying the information as a direct consequence of actions and/or intervention by Kāinga Ora
- been completed as at date of supplying the information as a direct and /or intervention by Kāinga Ora.

Kāinga Ora has interpreted your question to be asking for the total number of state houses that received resource consent, received building consent, and that were completed, between 1 October 2019 and 31 January 2020.

I can advise you that between 1 October 2019 and 31 January 2020, Kāinga Ora received resource consent for 826 state houses and building consent for 415 state houses.

During this time Kāinga Ora completed 573 state houses.

I trust this information has been helpful.

Yours sincerely

Rachel Kelly
