Reporter Comments

Bonfire in Residential area, Sixe approximately 2.5m2 x 2.5m2. Bonfire was extinguished due to it being 2m away from a wooden fence and 3m away from a hedge running down the boundary of the section. I was questioned on the status of what fire season it was and advised them whether it was open or restricted fire season, under Fire and Emergency NZ rules and guidelines a fire this size has to be 10m away from property and vegetation. I have attached a photo of the fire and fence in background and a screen shot of the rules for Bonfires of this size.
