What is Auror?

Auror is a Retail Crime Intelligence Platform that has been developed to help retailers report, solve and prevent crime. It enables this through a user-friendly interface which encourages more crime to be reported in a structured way. Retailers choose to share this information with NZ Police.

Auror is an important tool that assists Police in working closer with businesses [REDACTED]. Over the course of recent years working together [REDACTED], and work closer with the retail community.

Why use Auror?

Auror will help you to:

[REDACTED]

Auror partners

[REDACTED]

- creating a rich source
of **quality** intel

Introduction from NZ Police

[Redacted]
Police National Headquarters

Auror is an important tool that assists Police in working closer with businesses and the community to prevent and solve crime. We're pleased with the results of our partnership, and hope you find this guide a useful introduction to key functions.

Auror [Redacted]
