Your Official Information Act request, reference: GOV-004247

Thank you for your email of 13 March 2020, asking for the following information under the Official Information Act 1982 (the Act):

Please provide a data catalog of all data fields shared with Agency's and NGO's via the Social Investment Agency's Data Exchange.

ACC has not shared data externally using the Social Investment Agency's Data Exchange

ACC is not currently using the Data Exchange for data transfers to external agencies. As such, we have not shared any data with agencies or NGOs using this exchange. Our ability to share data with external agencies in this way is being developed.

We are therefore declining your request as the information does not exist. This decision is made under section 18(e) of the Act.
