

HUI FOR TE WHARE KAKANO 4th May 2011.

Present: Hana, Sue Caltaux, Charlene, Tania, Cara and Geraldine.

Apologies: Rachael

1. **Karakia.** Hana thanks everyone for coming tonight.
2. **Working Bee:** Hana thanks Cherie, Geraldine, Marcus, Tania, Cara and Ari for helping out with the working bee. The children are really enjoying have their own desk and Hana is finding it is a much easier to move children if it becomes necessary.
3. **Fundraising:** Hana has decided that we should waive fundraising as there is only Hana to manage this. Unfortunately the two delegated people have not been back to meet with Hana and therefore nothing has been organised for next week. It is now too late. Therefore individual parents will have to save for their own children.
 - Ongoing concerns about why GST is being paid on fundraising. This needs to be followed up with Rowena and Sean.
 - Another concern is if \$5.00 is paid into the school account to go towards the trip is that still \$5.00 at the end of the financial month / year or is the total minus GST. Sue will follow both these matters up and ask for some written information for the Whanau.
4. **General Business:**
 - Charlene asked about what was to happen to the sausages left over from previous fundraising. Hana suggested that the food could be used for the Matariki Celebrations. The money gathered from this school wide celebration will purchase a new guitar cover for Whaea Mihi.
