The Ministry of Health does not hold the information you have requested. However, I have been advised that the information you have requested is more aligned with the functions of the Southern District Health Board (SDHB)

As a result, I have decided to transfer your request to the SDHB under section 14 of the Act. You can expect a response from the SDHB in due course.

You have the right, under section 28 of the Act, to ask the Ombudsman to review my decision to transfer your request for information.

Yours sincerely
