Dear J Dylan

**Ref: H201300177**

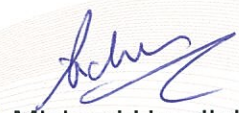

Thank you for your email of 8 November 2013 requesting official information. You asked for details of the Brands, Models and Wholesale prices of the digital hearing aids for which the Ministry of Health (the Ministry) authorises funding.

A copy of the list of brands and models is attached for your information.

The Ministry has decided to withhold the wholesale prices of the hearing aids on this List under section 9(2)(b)(ii) of the Official Information Act 1982 on the grounds that it is necessary to protect information where the making available of the information would be likely unreasonably to prejudice the commercial position of the person or people who supplied the information to the Ministry.

You have the right to complain to the Ombudsman about the decision to withhold the information regarding the prices of the hearing aids. Information about making a complaint to the Ombudsman is available on the website of the Office of the Ombudsman ([www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz)).

Yours sincerely

  
PP Michael Hundleby  
National Director (Acting)  
National Health Board
