Dear Mr Gibson

Official Information Request
Our Ref: SSCOIA 2020/0051

I refer to your official information request received on 10 June 2020 where you asked:

“Please provide the total cost that was spent producing the Machinery of Government Events dataset available at <https://catalogue.data.govt.nz/dataset/mog-events>.”

Information being released

In response to your request, I can advise that the production of the Machinery of Government events dataset was undertaken by the State Services Commission (SSC) as part of our business as usual work programme and contained no additional cost. As a result, it is not possible to identify the cost of individual staff involved in the work associated.

Production of the dataset involved consolidating information, that was already in the public domain, into a standardised dataset that is in a single resource and easily reusable format. This work fell within SSC's baseline of business as usual activity.

If you wish to discuss this decision with us, please feel free to contact Ministerial.Services@ssc.govt.nz.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note that we intend to publish this letter (with your personal details removed) on the State Services Commission's website.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Nicky Dirks'.
