**Your Official Information Act request, reference: GOV-005575**

Thank you for your email of 02 July 2020, made to the Minister for ACC, asking for the following information under the Official Information Act 1982 (the Act):

*Can you please provide me with any information you have given or received regarding ACC's investments and climate change.*

*I am after any advice/correspondence you have received from, or given to, the ACC and its Board; and any advice/correspondence on the same topic between yourself and the Minister for Climate Change (or his office).*

*Given I cannot see any obvious information on this topic from the ACC in recent years, I presume the volume of correspondence/advice will be small - therefore please consider the scope to be for your entire tenure as Minister for ACC.*

Due to the recent transfer of the ACC portfolio to Minister Carmel Sepuloni, your request has been transferred to ACC for response.

**ACC's investments and climate change**

The documents in scope of your request are attached as Appendix 1.

More information about ACC's commitment to climate change and future updates on ACC's progress can be found on ACC's website [here](#).

Please note, the majority of the information has been released in full. Some of the information has been withheld under section 9(2)(a) of the Act. In some instances, information not in scope of your request has been deleted, or an excerpt has been provided where the remaining information is out of scope.

I have considered the public interest in making the withheld information available and am of the view that it does not outweigh the interest protected by withholding it.

**How to get in touch**

If you have any questions, you can email me at [GovernmentServices@acc.co.nz](mailto:GovernmentServices@acc.co.nz).

If you are not happy with this response, you have the right to make a complaint to the Ombudsman. Information about how to do this is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or by phoning 0800 802 602.

Nāku iti noa, nā
