Dear Harrison

Local Government Official Information And Meetings Act 1987

Cattle at Regional Parks

I refer to your request, which we received on 02 July 2020, regarding the cattle at Auckland Council's regional parks.

Our response to your questions is as follows:

Could I please have an updated list of the June 2020 cattle audit for Auckland Council's regional parks

Please find **attached** Council's latest annual audit:

- Record of all cattle owned by Auckland Council 2020
- 2020 cattle audit – total number of cattle

May I have a list of cattle missing/dead from each park as well, please.

A stock audit to identify the missing or dead cattle has not been completed for all parks. Accordingly, we are supplying the information we have for Atiu Creek and Te Rau Puriri only. Please refer to **attachment 3** and **4**.

Could I also have the NAIT account/movement summaries for each regional park.

Please refer to the **attached** NAIT movements summary 1 November 2019 to 30 June 2020.

Could I please have the breeding information, sorted by animal ID, including their birth date, their breed composition and their parentage information for cattle currently owned by Auckland Council, as well as all cattle bred from and born at regional parks since 2009.

We do not artificially inseminate our cattle, as a result, a significant number of animals are registered with no or incomplete pedigree data and uncertain ancestral breed origin.

Therefore, in accordance with section 17(e) of the Local Government Official Information and Meetings Act 1987, the information you have requested cannot be provided to you on the basis that it does not exist or despite reasonable efforts to locate it cannot be found.

However, we have provided information on bull Estimated Breeding Value (EBV). Please refer to **attachment 6** – Bull EBV's

Should you believe Auckland Council has not responded appropriately to your request you have the right to seek a review of the decision from the Ombudsman.

I hope you find this information useful. If you have any further queries please contact me on 09 301 0101, quoting LGOIMA No. 8140007074.

Yours sincerely
