Request for court record information

I am replying to your email of 20 November 2013 in which you have requested a copy of the decision, the charging document and any other information about the private prosecution of two police constables.

This information is court record information. To request this information you need to write directly to the registrar of the court in which the case was heard. You will need to identify the information you are seeking and the reason(s) for which you are seeking the information. You can find the contact details of the courts at the Courts of New Zealand website: <http://www.courtsofnz.govt.nz/>.

I note that the registrar's decision to release court record information is discretionary, may require a judicial ruling and may attract a fee.
