Dear Ms Anderson

**OFFICIAL INFORMATION ACT REQUEST 2020/26 – KORERO HUI**

On 15 August 2020 you requested, under the Official Information Act 1982 (OIA), copies of:

*Any research, plans, action and correspondence about the 'Korero Hui', 'increasing Māori enrolment for the 2020 general election', and 'improving services to Māori voters' from 2018 to 2020.*

The information in scope of your request relating to the Korero Hui and improving service to Māori is listed in the table below and is attached in two batches; covers the period January 2018 to May 31, 2020.

Some names and/or contact details of persons in the first batch, items 1-68, have been withheld and the relevant grounds under the OIA are listed in the table.

No information in the second batch, items 69-101, listed in part two of the table has been withheld.

The Commission has undertaken extensive work to improve enrolment and voting services for Māori which may be relevant for the purpose for which you have requested the information you require. If you are requesting this information for a research project you may want to contact Peter Potaka who has led the Commission's project to improve the services for Māori to talk about the broader strategies the Commission has developed and is implementing.

You do have the right under section 28(3) of the OIA to make a complaint to the Ombudsman if you are not satisfied with the response to your request.

Kind regards

Alicia Wright

Chief Electoral Officer
