Dear Renoh

Re: Official Information Act request – ophthalmology referrals

I refer to your official information request dated 31 August for information regarding ophthalmology referrals.

We have transferred your request to Auckland District Health Board (DHB). The information to which your request relates is not held by us but is believed to be held by Auckland DHB as they provide ophthalmology services for the Waitematā population. In these circumstances, we are required by section 14 of the Official Information Act to transfer your request.

You will hear further from Auckland DHB concerning your request.

Yours sincerely
