- The number of submissions received by email.
- The number of submissions that attached/used WCC's downloadable PDF?
- The number of submissions that arrived by postal mail or perhaps were hand-delivered?
- What was the total number of submissions on the Draft Spatial Plan that originated from the Generation Zero platform, or used their form entitled 'A City for People'?
- A breakdown by suburb (address of the author) of the total number of submissions received?

However, the team is still collating this information and processing the submissions.
