Dear Rawiri

Official information request for external reports commissioned around the Student Success Project

I refer to your request for information under the Official Information Act 1982 (the Act) dated **25 November 2020**:

*“Just as a follow up for my question about the student success project and a request for the PWC report, if there are any other external reports that were commissioned around the project can I please have those also.
For clarity reports like the PWC report that deal with oversight, review and outcomes.”*

The Act requires that we advise you of our decision on your request no later than 20 working days after the day we received your request. Unfortunately, it will not be possible to meet that time limit and we are therefore writing to notify you of an extension of the time to make our decision, to **12 February 2021**.

This extension is necessary because consultations necessary to make a decision on your request are such that a proper response cannot reasonably be made within the original time limit, taking into account the fact that many University personnel are on leave over the holiday period.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

If you wish to discuss this decision with us, please feel free to contact me at oiarequests@vuw.ac.nz.

Yours sincerely
