**Description: DCC ANIMAL SERVICES Neutering**

---

**In 'from creative', please load**

*Jingle in: DCC Animal Services ! etc*

**VO:** If *your* dog's been misbehaving or wandering off ... maybe it's time for that 'special visit' to the vet. Neutering isn't all bad. You could save yourself *and* your pet the hassle of a *second* visit, by having them micro-chipped at the time of neutering !  
Another *friendly* reminder from ...

*Jingle out: DCC Animal Services ! etc.*
