Dear Nève,

Request for Information - Our Reference IR-01-20-37087

Thank you for your request received 7 December 2020 for information about a call to made to 111. Specifically, you requested:

I would like to please request the transcript of the 111 call made from Westgate McDonalds, NZ on the 6/12/2020 between approx 2am-4am. This will be in relation to #P044666475

You were emailed on 8 December and advised that Police does not produce transcripts of 111 calls as a matter of routine. You agreed that the chronology of the event would be sufficient for you in lieu of a transcript.

Your request has been considered in accordance with the Official Information Act 1982 ('the Act').

Please find included with this response a copy of the event chronology for P044666475. Please note that Police received three calls (one of which was disconnected before it was answered) that were able to be attributed to this incident. The chronology of the second call and the disconnected call were merged into the first event and are displayed in the chronology provided.

I have withheld some information from the chronology that relates to the caller themselves pursuant to section 9(2)(a) of the Act as the withholding is necessary to "protect the privacy of natural persons, including that of deceased natural persons". I have considered the public interest in making available this information and decided that the privacy interests requiring protection are not outweighed by the public interest.

If you are not satisfied with my response, you have the right under section 28(3) of the Official Information Act to ask the Office of the Ombudsman to seek an investigation and review of my decision.
